# GUIDING Success and Innovation

**Srikant Nandigam**  
CEO

Dear Parents and Students,

On behalf of the Vignan's World One School, I would like to extend my warmest wishes to all of you on this joyous occasion of Dussehra. May this festival of victory of good over evil bring abundant happiness, prosperity, and success into your lives.

As the CEO of Vignan, I feel truly blessed to witness the enthusiasm and dedication that our students and parents possess towards their education and personal growth. The spirit of Dussehra reminds us to never back down in pursuit of our goals and always remain steadfast in our beliefs.

I encourage every student to approach their studies with renewed vigor, aiming for academic excellence and personal development. Parents, your unwavering support and guidance play a significant role in shaping the future of our students. Your support truly makes all the difference, and we are grateful for your partnership.

Once again, I wish you and your loved ones a very Happy Dussehra! May this festival ignite our hearts with positivity, inspire our minds, and pave the way for a brighter future.

## Principal's Desk

*Nurturing Excellence and Growth*  
**Dr. SK Chaitanya Ch.**

Action is the fundamental key to Success!

It's such a joy and pride to see, yet another repertoire of World One School. September ends and provides endless memories to each and every child in the school.

"Winspire" is the pulse of the school which strives to capture in print and visual form the range of activities covered from September and academic prowess and accolades received while also providing an outlet for the students' creativity. It is an accurate and official record of events and activities that have been undertaken. In order to educate students for the fierce competition in the world today, the school has devised a methodology that takes into account constantly evolving issues. The school places a strong emphasis on the overall development of the students, which enables them to face life's challenges head-on. In order to give the students the ability to reflect and achieve great success in life, we intend to provide them with the necessary skills and a wide range of chances. It gives us a sense of pride when we see our children touching the great heights without compromising the academics, sports, cultural and so on.

Being focused on our vision, we have been achieving academic excellence and also brought innumerable laurels in art and literature by Heritage & ISKCON Foundations. Without the enthusiastic support of students, teachers, and parents as well, accomplishments and fame of this size would have remained unattainable. Finally, I want to express my gratitude for everyone's efforts in bringing life to each and every page of this magazine. I send my best wishes to everyone. Please feel free to call on me to share constructive suggestions and matters of individual concern if any.

# RAKSHA BANDHAN

Wonderful Bond of Siblinghood celebration!

World One School celebrated Raksha Bandhan, a festival that honours the bond between brothers and sisters. Rakhi, a traditional thread adorned with vibrant colours and intricate designs, holds deep significance in Indian culture. It symbolizes the bond of protection and love.

At World One School, this tradition was beautifully upheld as students tied rakhi threads on each other's wrists. The act was not merely a gesture but a heartfelt promise of protection, care, and unwavering support. The exchange of rakhi threads symbolized the strong foundation upon which sibling relationships are built.

The festivities began with students eagerly coming together to express their love and appreciation for their siblings. Laughter filled the air as brothers and sisters shared heartwarming stories, exchanged tokens of affection, and showcased their talents through various performances.

World One School's commitment to fostering inclusivity and harmony among its students has been evident throughout this

celebration. The memories that had been created on this special day would have been treasured forever, and the school had hoped that these bonds would continue to strengthen and flourish with each passing year.

# TEACHER'S DAY

Saluting the Guiding Lights: Teacher's Day Celebration

World One School Students Celebrate **Teacher's Day** in a Grand Way

We wanted to take a moment to celebrate our incredible teachers at World One School. Their passion, dedication, and tireless efforts have truly made a difference in shaping our lives and nurturing our dreams.

On this special occasion of Teacher's Day, our students pulled out all the stops to make it a memorable day for our beloved Teachers'. From creative performances to heartfelt messages, we showed our deep appreciation and gratitude for everything they do. The day kicked off with enchanting cultural performances that showcased the diverse talents within our student body. From captivating dances and melodic songs to vibrant plays and heartwarming skits, our teachers were truly enthralled by the students'. To express our heartfelt thanks, each student carefully crafted personalized cards and messages, expressing their gratitude for the guidance, inspiration, and unconditional support provided by the teachers. These words of appreciation touched the hearts of our educators, reminding them of the profound impact they have on our lives.

Our teachers were also felicitated with well-deserved awards for their outstanding commitment and exceptional teaching methods. This acknowledgement served as a testament to the remarkable influence they have had on our academic and personal growth. And what's a celebration without some delectable treats? Our students surprised their favourite teachers with a delightful assortment of homemade treats, symbolizing the sweetness they bring into our lives every day. The joyous atmosphere was further elevated by sharing stories, laughter, and creating everlasting memories. We bowed our heads in gratitude and say a resounding "Thank You" to our amazing teachers at World One School. You truly are the guiding light that ignites our path to success.

# Krishnastami Celebrations

*Embrace the Divine Leela*

World One School students celebrated **Krishna Ashtami** with great enthusiasm and joy.

The students dressed up as **Radha** and **Krishna** and participated in an assembly where they recited bhajans, sang devotional songs, and performed mesmerizing reenactments of Krishna's life.

The highlight of the event was the Dahi Handi, where students formed human pyramids to break pots filled with curd, imitating the mischievous nature of Lord Krishna. The day was filled with devotion, and a sense of togetherness, as students learned about Krishna's teachings and embraced the essence of love, compassion, and faith.

## A Day without tree

Once upon a time, there lived a young boy. He is a nature lover. One day while walking towards his village, he saw a tree which was his friend. From his childhood, he and his friends used to play under the shade of the tree. But that day the tree looked very sad. So he asked the tree "What are you so upset?" The tree replied "I am upset because tomorrow the wood-cutter will come and cut me."

The old man said "What - what - that's very bad! What's more why you are so sad! Don't worry I will help you from the wood-cutter". The wood-cutter the day before was really not well from the tree. So his hammer, nails, sawblade was about to cut the tree. "Don't do this", the wood-cutter said. "Don't cut down. It gives us fruits, vegetables, medicines, fuel, paper and many other products to us. Also because of trees we take in fresh air and give us oxygen that is the fresh air which we breathe. Don't cut you ever then? Don't cut me!" The wood-cutter, realized his mistake after listening to this boy's words and said "I will never cut any tree again I am sorry". The boy was very happy and said to the young boy and the wood-cutter. "Thank you. From now on the tree helped the boy and the wood-cutter by giving fruits & wood and for they all lived happily ever after."

**MORAL OF THE STORY:** We should not cut trees and should not leave nature in jeopardy.

### The telegram

My mother is the greatest person. When I was born, I knew she is always there for me. She has been writing me to be happy and independent. She loves me all the time, even when I was in school. When I was in school, she always encouraged me to work hard. She is the best.

### MOTHER IS THE BEST

### WHY NOT A GIRL?

Parents want for a boy, not a girl. They think a man can only be professional but a woman can do many jobs. They are so good in many ways. They are so good in many ways. They are so good in many ways. They are so good in many ways.

### Success For Life

- A: Always be honest
- B: Be a good listener
- C: Control your emotions
- D: Don't be a quitter
- E: Enjoy the process
- F: Focus on the goal
- G: Give your best
- H: Have a positive attitude
- I: Invest in your future
- J: Just do it
- K: Keep going
- L: Learn from failure
- M: Make a plan
- N: Network with people
- O: Own your mistakes
- P: Practice makes perfect
- Q: Quality over quantity
- R: Rise above the competition
- S: Stay motivated
- T: Take action
- U: Understand your audience
- V: Value your time
- W: Work hard
- X: X-factor
- Y: You can do it
- Z: Zero excuses

Three things to love: Truth, justice and peace

Three things to remember: God, parents and teachers

Three things to have: Food, clothes and shelter

Three things to do: Charity, service and respect

Three things to think about: Family life and future

Three things not to be: Late, Temper, character and patience

Three things to be away: Bad company, bad news and lies

## Math is fun

Math is full of fun. When we learn to count, things are added, while lines and numbers begin to multiply. The knowledge is there. Geometry is full of mystery. Algebra has a beauty. There are numbers simple and complex. There is nothing to be afraid of. Math is necessary for life. When we learn to do it, we can do it.

## English Bee...

Every name is called a noun. It is the place of nouns in the sentence.

Adjectives describe a noun. They are used to give more information about the noun.

Verbs are actions. They are used to show what is happening.

Prepositions show the relationship between words.

Conjunctions connect words and clauses.

Interjections are words that express feelings or emotions.

Student Column

# Technology

Today, technology is one of the most discussed subjects of our time. WhatsApp, Twitter, G+ps, smart-phones and tablets are some of the smartest everyone recognises. The traditional education delivery system has been a classroom setting, with a teacher giving a lecture and students listening and writing notes.

The teacher's role is not just to read a book in the classroom. A student can do his by himself, or even use an online library, like Wikipedia, which will provide him a plethora of information anywhere, any time. His role is to help student to understand his lesson, and this can easily be achieved by using cyber resources.

# What's more subjects like

History, economics and science would be done much more efficiently with the use of multimedia such as videos, graphs and more.

Cyber resources play a dynamic role in every walk of life. In educational activities they help a lot to promote students learning. They can be updated, cheaper, well interactive. In choosing the concepts and ideas through different dimension and learning becomes much easier and enjoyable.

Computer and cyber resources play a significant role in education. Since the use of technology is no longer confined to computer science majors, it's necessary for all student and future teachers to use and be aware of computers and implement technology in order to be successful in future careers.

## GRAND PARENTS

- \* This is the brief time to say that I'm so glad to have grand parents like you.
- \* They are my best friends and they both are very active.
- \* When I'm away from you, I miss you very much.
- \* They made my life very happy and they are the biggest blessings in my life.

This is the old one to say that I got to feel good about life in them. The way that you do me that, that's the way that you do me that. You can make me feel so important and happy. Every year you do me great grandmas. In the other world.

- Rishi Singh

# PEER PRESSURE

Peer pressure is the influence or pressure that one person has on another. It can be positive or negative. Positive peer pressure is when you encourage someone to do something good, like study hard or exercise. Negative peer pressure is when you encourage someone to do something bad, like drink alcohol or smoke. It's important to know how to handle peer pressure. You should always think about what you're doing and whether it's right for you. If you're being pressured to do something you don't want to do, you should say no and explain why. It's okay to be different from your friends.

## The most Important Lesson I Have Learnt As A Student

School, the temple of learning, not only teaches us how to create a living but also how to live a life and such a worthwhile one as not only the character of person is good.

As I preach the importance of character in a student's life, I feel character building is the most important lesson I have learnt and one that many lessons I have learnt that contributes to my character building.

In high school when we were school we are always taught at each school on time, the teacher is the main of the lesson. Character building is the most important lesson. All students must be uniform irrespective of their social status, race, and color. We should equally with the character building can social skills and communication skills which improve our communication with different people as a student to be what I have learnt in school. The first lesson I have learnt is to be a good student. I would like to continue my highlighting the importance of character building. Education, character building is like a tree and reputation is like its shadow. The shadow is what we think of it but the tree is the real thing.

CHANGE IS THE END RESULT OF ALL TRUE LEARNING.

WISDOM OF CHARACTERS

## Some Funny "Riddles"

- Q: What is a snake's favourite subject in school?  
A: History.
- Q: Why didn't the sun go to college?  
A: Because it already has many degrees.
- Q: Why did the kid eat his homework?  
A: Because his teacher said it was a piece of cake.
- Q: Why did the teacher jump into the pool?  
A: He wanted to feel the water.
- Q: What did one friend say to the other on first day of school?  
A: Looking sharp.
- Q: Why did the girl do her homework on an airplane?  
A: To achieve a higher education.
- Q: Why do frantic teachers read a ladder?  
A: To reach higher notes.
- Q: What do you need to go to the high school?  
A: Ladder.
- Q: What does your computer do for lunch?  
A: Has a byte.
- Q: Why did the teacher wash sunglasses to school?  
A: Because her students were so bright.

# HAPPY Ganesh Chaturthi

Embrace the Divine Vibes: Ganesh Chaturthi Delight!

Ganesha at Boys Campus

Ganesha at Girls Campus

World One School extends warm wishes and blessings to all on this auspicious occasion.

May Lord Ganesha, the remover of obstacles, shower you with wisdom, success, and prosperity. May this festival continue to bring joy, and happiness. Let us come together in celebration, offering prayers and seeking the blessings of Lord Ganesha. May this festival inspire us to strive for knowledge, embrace new beginnings, and overcome any challenges that come our way. Wishing you all a blessed and joyous Ganesh Chaturthi!

# CHILDREN ROARING FOR THE CHALLENGE

@ CHENNAI

Vignan's World One School students are eagerly preparing to showcase their exceptional skating abilities as they gear up to compete with other schools in a thrilling cluster skating game. This unique event brings together students from different schools who possess a passion for skating, providing them with a platform to display their skills and talents. The cluster skating game promotes healthy competition, encouraging participants to push their boundaries and strive for excellence in their performance. Vignan's World One School students will have the opportunity to

demonstrate their agility, creativity, and precision as they glide gracefully on the ice and captivate the audience with their captivating routines. Through this experience, students will not only enhance their skating abilities but also learn valuable lessons such as sportsmanship, perseverance, and the importance of teamwork. The cluster skating game promises to be an exhilarating event where Vignan's World One School students can shine and make their school proud, fostering a sense of unity, camaraderie, and achievement among them.

## Rangotsav Celebration<sup>®</sup>

Organization For National Level Art Competition

2023-2024

Students from World One School have recently achieved remarkable success in the National level painting competition organized by Dream Young & Children's Art Academy in Vijayawada.

The talented students have brought immense pride to our school by securing gold and silver medals. Their exceptional artistic skills and creativity were recognized and rewarded in this prestigious competition, further highlighting the school's commitment to nurturing young talents in the field of art.

# SGF District-level Athletics Competition

## BREAKING NEWS!

World One School's talented athletes excel at the SGF district-level athletics competition.

We are thrilled to announce that our students have made us proud once again with their spectacular performances at the district-level athletics event. Competing against 60 schools in the under-14 category, two of our talented athletes have secured their position for the next level of competition in games like the high jump and shot put.

But that's not all! In the under-17 category, where a whopping 150 schools participated, five of our exceptional athletes proved their mettle in athletic games like 400 meters run, 200 meters run, 100 meters run, and long jump. Their incredible achievements have earned them a spot in the next level of competition.

This momentous achievement is a testament to the hard work, dedication, and relentless training of our students, as well as the unwavering support of our coaches and staff. We are extremely proud of our athletes for their outstanding performances and wish them the best of luck as they move forward in this exciting journey.

Congratulations to our athletes and their families for this remarkable feat. Your passion, perseverance, and commitment have truly set you apart. We can't wait to see you shine even brighter in the upcoming competitions.

# District-level Competition

## Basketball

### BREAKING NEWS!

Congratulations to all the brilliant young athletes from World-One School who recently participated in the prestigious SGF District-Level Basketball Tournament!

With a whopping 100 schools participating, our students showcased their exceptional skills and sportsmanship in the under-14 and under-17 categories.

In the under-14 category, we are proud to announce that two of our students were selected to move on to the next level of competition. Their dedication, hard work, and talent on the court have truly paid off, and we couldn't be prouder of their achievements. We wish them the best of luck as they continue to represent World-One School in future tournaments.

Not only did our under-14 students excel, but our under-17 students also performed remarkably well. Out of the 100 schools participating, five of our students were chosen to advance to the next level of the competition. This is a testament to their commitment, teamwork, and exceptional skills on the basketball court.

We would like to extend heartfelt congratulations to all the students who participated in the tournament. Your efforts, enthusiasm, and sportsmanship have made us immensely proud. We also want to thank our dedicated coaches and staff who have worked tirelessly to train and support our athletes.

As World-One School, we believe in fostering not only academic excellence but also encouraging our students to develop their talents and passions. We are delighted to see our students thrive in the field of sports and are excited to see what they will achieve in the future.

Once again, congratulations to all the students who represented World-One School in the SGF District-Level Basketball Tournament. We are confident that with such talent and dedication, our athletes will continue to make us proud in future competitions. Go, World-One School!

Hello, I'm Priyanka Patnaik, an alumna from the 2010 batch. Currently, I hold the position of a Business Analyst at CALYX, Hyderabad, which specializes in clinical research. I'd like to express how VIGNAN has had an indelible impact on my life. My time at Vignan, spanning five years, is a treasure trove of memories. Whether within the classroom or beyond its walls, every moment has left an enduring mark on my heart. The environment, the dedicated staff, and the supportive administrative team collectively nurtured me with love and care throughout my academic journey. I am eternally grateful for the experiences and knowledge that Vignan has bestowed upon me, and I carry these lessons with me in my professional life. It's a place that continues to inspire and remind me of the potential we hold when nurtured in the right environment. Thank you, Vignan, for being an essential part of my journey.

**Priyanka Patnaik**

Business Analyst at CALYX

I would like to share my invaluable experience & journey at Vignan School which truly enriched my life and remain forever with me. Spending 05 years at Vignan School was like a blessing for me, as interacting and living in different cultures was something which really helps me today to interact with anyone without any hesitation, learning different languages from multicultural people under the same roof was appetizing to me. The amount of love which we used to get from our teacher, warden and staff of Vignan School has helped us to groom ourselves despite living far from our parents and home. The uninterrupted dedication and hard work shown by our teacher and warden for our study was very mesmerizing for me and I wish to have this kind of teacher for our upcoming generation. The food, and ambiance provided by Vignan School has a special place in our heart. I like to thank Vignan School from the bottom of my heart for nurturing my life by providing knowledge and enlightenment me, which remain within me forever.
