I hope you are well and in good spirits. I am delighted to inform you that our students are now back from their Dussehra vacation, rejuvenated and ready to resume their academic journey.

The Dussehra break provided our young learners with a well-deserved opportunity to relax, spend quality time with family, and indulge in various festive activities. It is heartening to see our students returning with joyful and energized hearts, eager to imbibe new knowledge and engage in meaningful experiences.

During vacation, faculty and staff prioritized students' health, safety, and holistic development. They implemented precautionary measures and adhered to health authorities' guidelines to ensure a smooth transition back into school routine. Parents, your unwavering support is greatly appreciated in facilitating a seamless academic experience for your children. Together, we can create an exemplary educational journey, ensuring the holistic development of our young minds.

On a joyous note, I am delighted to announce that two of our talented students have achieved a remarkable feat. They have been selected to represent our school in the upcoming National Games. Their hard work, dedication, and exceptional skills have earned them this prestigious opportunity, and we couldn't be prouder. This accomplishment not only reflects their individual excellence but also showcases the nurturing environment and holistic approach we provide at our institution. It is a testament to the collective efforts of our teachers, coaches, and supportive parents who have played an instrumental role in shaping their abilities. As we move forward, let us remain committed to creating an environment that encourages and nurtures the talents and aspirations of our students. Together, we can inspire them to reach greater heights and instill in them a lifelong love for learning. Thank you for your unwavering support, and I look forward to witnessing many more achievements from our exceptional students in the future.

Principal's Desk

Nurturing Excellence and Growth
Dr. SK Chaitanya Ch.

Warmest greetings to you all!

We are grateful for the wonderful Festive Season we have had and feeling happy as we begin the new month of November. It has been an amazing journey made possible by the commitment and diligence of our students as well as the constant support of our lovely parents.

I congratulate the Students, Teachers & the Digital Team whose precious efforts have made this month's edition of "Winspire" accessible to all of us. The magazine portrays the trajectory of transformations experienced and achieved in different spheres by the students of the school.

The world in which we currently live is vastly different from the one in which we were raised and schooled. The speed at which the modern world is evolving requires educators to take a moment to consider the educational system as a whole and ready to face the challenges. World One School pioneered in making its learners to face the daily challenges with a well-balanced Academics & Non Academics to ensure that the student will truly be prepared to face the Glocal Challenges of life. The institute is firm in resolving to provide the best academic support in academic events and non-academic events of Literary Writings, Art, Painting & Dance. I wish World One School will scale greater heights with active participation of students and staff members with great enthusiasm in the days to come.

Finally, I am thrilled to announce that Children's Day has officially begun! Our students are engaging in various activities designed to help them develop new skills and create lasting memories. Creativity, Exploration, Fun and new experiences filled the air. It has been a great start, and we are excited about the days to come.

International Girl Child Day

Empowering Tomorrow's Women Today

On the occasion of International Girl Child Day, World One School extends its warmest wishes to all the young girls around the world. As an institution committed to fostering a nurturing and inclusive environment, we prioritize the empowerment and education of girls.

We believe every girl deserves equal opportunities to thrive, learn, and make a positive impact on society. Our dedicated teachers and staff work tirelessly to empower girls through quality education, encouragement, and instilling confidence.

On this special day, we reiterate our world one school to create a world where girls can dream fearlessly and become the leaders of tomorrow.

Happy International Girl Child Day!

WORLD

FOOD DAY

Fueling Minds, Nourishing Futures: Awareness Program

World One School celebrates World Food Day to raise awareness about the importance of access to healthy and nutritious food for all. Food plays a crucial role in a child's physical and mental well-being, providing essential nutrients for growth, cognition, and immune function.

World One School offers a variety of fruits, vegetables, whole grains, lean proteins, and dairy products, and emphasizes food education to promote healthy eating habits. World One School encourages students to make informed choices about food and teaches the value of sustainable and locally sourced ingredients.

Joyous

Dussehra!

"Victory of Knowledge over Ignorance: Dussehra Celebration at School"

As the vibrant festival of Dussehra dawns upon us, World One School extends its warmest greetings and heartfelt wishes to every one of you! At World One School, we believe in fostering a spirit of positivity, compassion, and perseverance within our community.

Dussehra serves as a reminder to us all that through determination, courage, and unity, we can overcome any obstacle that stands in our way.

The pre-primary students of World One School enthusiastically celebrated Bathukamma and Kolatam (dandiya) on the eve of Dasara. Decked up in vibrant traditional attires, the little ones gathered around a beautifully decorated Bathukamma, a symbolic flower arrangement, and began singing and dancing in harmony. Their gleeful laughter and rhythmic claps filled the air as they performed the traditional Kolatam (dandiya) steps, showcasing their budding talent. With bright smiles adorning their faces, the children relished the festive delicacies and enjoyed the festive games organized for them. It was a memorable celebration that brought together merriment, culture, and the essence of Dasara for the little ones.

... DAD ...

A Dad is someone who wants to catch you before you fall but instead picks you up, brushes you off, and let's you try again. A DAD is someone who helps you when you break rules. Sometimes with pride when you succeed, and has faith in you even when you fail.

My Lovely Mother..!

My mother is so cute
Oh my dear lovely mother
She teaches me to do something better
Oh my dear lovely mother
My mother is so brilliant
Oh my dear lovely mother
She can do everything for me
Oh my dear lovely mother
My mother is my life and
Oh my dear lovely mother
She is my study best friend
Oh my dear lovely mother
She is the best mother in the world.

The Lunch Break

The afternoon past one finally
The sun's heat dimmer apparently.
The school bell rings loudly
And off to the corridor hurriedly.

We open our books eagerly
Looking into other's books stealthily.
Snitch our lunch quickly
While gasping, spitefully.

We rush to the ground immediately
To play with our friends joyfully
But the lunch time is over suddenly
So, it's everyone's favourite time
Spontaneously.

Diwali

The legends and stories associated with Diwali are vast and varied. Today Diwali is celebrated as the largest festival of the year in India and has also spread by way of the Indian diaspora to be celebrated in countries across the globe.

Something that is most commonly known about Diwali is that it is not just a Hindu festival, but it is also observed with joy and enthusiasm by the other major religions in India.

Some of the most commonly narrated stories, arising from the deep mythology of Indian subcontinent may help shed light on the rich cultural diversity nature of the festival.

Academic Trip

Exploring Beyond the Classroom

Class 12th students from Vignan's World One School visited Vignan's University for an unforgettable excursion trip.

The students explored the campus, participated in interactive workshops, and learned about the university's advanced technology and research labs. They also connected with professors, scholars, and current students, providing valuable insights for future academic pursuits.

The trip also included team-building activities, games, and cultural events. The students expressed gratitude to Vignan University for providing such an enriching experience and wishing them many more exciting adventures in the future.

Let's continue to nurture the brilliance within each student.

EXPERIENTIAL LEARNING AT ITS FINEST! STUDENTS STEP INTO PADDY FIELDS

World One School students took an experiential learning adventure in paddy fields to learn about agriculture and rural life. They witnessed the hard work and dedication of farmers, learned about sustainable farming practices, and gained a deeper understanding of the importance of organic fertilizers and water conservation.

This experience bridged the gap between students and the rural community, fostering a love and appreciation for agricultural roots. The students' bravery and exploration of nature proved that experiential learning is a powerful tool for shaping well-rounded individuals.

Rising to the Top NATIONAL LEVEL CHAMPIONS IN CLUSTERS

We are thrilled to announce that our incredible students have once again brought glory to World One School! With great pride, we share the news of their exceptional achievements at the CBSE Cluster Athletics Cluster VII 2023 competition.

R. Vidisha - A Golden Star

A remarkable athlete representing our school, has secured gold medals in both Discus Throw and Shot Put in the Under 19 category. Her outstanding performance has earned her a well-deserved spot at the national level, where we are confident she will make us even prouder!

Naga Charith - A Silver Lining

Exceptional achievement in the Under 19 CBSE Athletics Cluster VII 2023 held in Nellore. Naga has clinched a silver medal in the High Jump event, showcasing his incredible technique and skill. He has also been selected to compete at the national level, representing not just our school, but our city with pride.

These extraordinary accomplishments are testaments to the hard work, dedication, and perseverance of our athletes. As a school, we are committed to nurturing their talents and providing them with the necessary guidance and opportunities to excel in the field of sports.

At World One School, we believe in nurturing our students' talents and providing them with the best opportunities to excel. These achievements serve as a testament to our commitment to fostering a culture of athleticism, discipline, and personal growth among our students.

We would like to express our heartfelt gratitude to our dedicated coaches, teachers, and staff who have played a pivotal role in our students' success. Their guidance, support, and unwavering belief in our students have helped them reach new heights.

Once again, congratulations to R. Vidisha and Naga Charith for their remarkable achievements. Your hard work, dedication, and sportsmanship have inspired us all. We are immensely proud of your accomplishments and wish you continued success in your future endeavors.

PARENT - TEACHER MEETING

Nurturing Minds, Bridging Relationships

World One School recently conducted a successful parents teachers meeting to discuss the upcoming summative assessment test

This meeting provided an opportunity for parents to actively engage with teachers and gain insights into their child's progress and performance.

Teachers discussed test format, topics, and expectations, involving parents in their child's education. The meeting fostered a strong partnership, ensuring collaborative efforts for student success.

NATIONAL UNITY DAY

Marching Together, Celebrating Unity

On the eve of Unity Day, World One School organized a vibrant and spirited rally to commemorate the occasion. Students, teachers, and staff came together in a display of unity, carrying banners and flags representing the diversity and harmony of the school community. The rally showcased the school's commitment to promoting unity and inclusivity, with participants marching in solidarity to celebrate the principles of togetherness and mutual respect. It was a heartwarming display of solidarity and camaraderie, embodying the spirit of Unity Day.

Our School's Legacy School Alumni Speak of Enduring Bonds and Lifelong Impact

This is **Prasanna PVL** from the "class of 2013." I'm currently working as a scientist at **Aditya Birla Science & Technology** in Mumbai. My path to becoming a prominent person began in my early years at Vignan Global Gen School in Visakhapatnam. I was a student there for more than a decade, from Class 1 to Class 10th. **Vignan's** exceptional and culturally diverse environment sets it apart from other schools. The school is committed to nurturing confident, bold, enthusiastic, and self-assured individuals. Thanks to its comprehensive curriculum, these qualities are naturally developed from a young age, often without students even realizing it. These interpersonal skills, in conjunction with intelligence, prove invaluable when navigating the corporate and business worlds. My classmates have also had tremendous success in their careers, and we serve as a shining example to those around us when it comes to excelling in multiple areas at the same time. Vignan continues to hold a special place in my heart as a family, and I'll forever be grateful to the teachers who never gave up on me and believed in my potential, even when I lacked self-belief.

Hi I am **B. Naveen Reddy** Batch of 2010, Currently i am working as a Senior Officer in the Environment Health & Safety Dept in **Pidilite Industries Limited**, Vizag. **Vignan** is my second home because it teaches me a lot of things each day. It is a safe space that allows me to grow every day and reach greater heights. Vignan Teachers

are the guiding lights who lead us on the path of knowledge and wisdom. Let's take a moment to appreciate and thank all our teachers for their unwavering support and dedication."There are only a few people in our lives who impact our world, and teachers are definitely one of them. I want to thank my parents for sending me to one of the best schools of our town and I also want to thank our hon'ble principal and teachers for being so considerate all the time and always working for the better prospects of their students. I especially want to thank my class teacher for being so patient and kind with us and always showing ready nature for resolving our queries.

Hello, I'm **Amit Kumar Verma**, and I'd like to take a moment to share a special part of my life - my connection with **Vignan**, where I completed my schooling in 2010. Vignan wasn't just a school; it was a place where I forged lasting emotional bonds. The memories I created with my friends there are priceless, and even today, we remain a tight-knit circle, supporting each other through life's journey.

The teachers and the learning environment at Vignan played a crucial role in shaping my passion for event organizing. The guidance and encouragement from my teachers left a lasting impact, and I carry those lessons with me as I continue to create memorable experiences for people through my work as an event organizer.

Vignan is more than just a school; it's a place where friendships and lessons endure, and it's a vital part of my life's story.

Hi, my name is **Amit Kumar Singh** working as a product lifecycle Management (PLM) Engineer in the **Safran Group** in Hyderabad. It is an international high-technology group, operating in aviation (propulsion, equipment and interiors), defense and space markets. I vividly recall the day I enrolled at **Vignan** in 2006. The experiences and lessons from my time there continue to inspire me to lead a

purposeful life. Hostel life, friendships, and the guidance of teachers have all played pivotal roles in shaping the person I am today. There are moments when I contemplate re-enrolling, just to relive those cherished memories. Vignan is unique in offering a comprehensive education that blends academics with a myriad of extracurricular activities, sports, and events. The standout feature is its exceptional teaching faculty. They impart knowledge in a manner that is unforgettable, serving as the pillars of this esteemed institution. Every teacher sees us as their own, giving unwavering dedication to ensure even those who may have lost hope in passing 10th or 12th grade are supported. I take immense pride in proclaiming my love for my school. It's truly a rare find in South India, offering outstanding education, extensive sports facilities, awe-inspiring infrastructure, and an overall enriching experience, complete with lifelong friends.

Gandhi Jayanti

Father of the Nation

stewardship. Through tree-planting initiatives and eco-friendly practices, we instill in students a responsibility for the environment, fostering a generation committed to sustainability.

3. Self-Discipline (Tapasya): Gandhi's life exemplified self-discipline, or "Tapasya," as a cornerstone for personal and societal progress. In an age of constant distractions, cultivating self-discipline becomes a transformative practice. It empowers individuals to focus on their goals, fostering resilience and perseverance in the face of challenges.

4. Tolerance and Inclusivity: Gandhi's unwavering belief in tolerance and inclusivity shapes our school's ethos. We celebrate diversity through cultural exchanges, promoting an environment where different perspectives are respected, and fostering understanding and harmony.

5. Community Service (Sarvodaya): The spirit of "Sarvodaya" or the welfare of all permeates our school's culture. Students engage in various community service projects, emphasizing the importance of contributing to the well-being of society at large.

6. Empathy and Compassion: Gandhi's teachings on empathy and compassion guide our efforts to nurture empathetic individuals. Through awareness programs and volunteer opportunities, students develop a genuine understanding of the challenges faced by others, fostering a compassionate outlook.

7. Frugal Living (Aparigraha): Gandhi's philosophy of simple living is reflected in our school's encouragement of frugality. By promoting a mindset that values experiences over possessions, we instill in students a sense of contentment and gratitude. In conclusion, Gandhian values serve as a compass, guiding our students toward responsible citizenship. As they absorb the essence of self-reliance, environmental stewardship, rural empowerment, tolerance, community service, empathy, compassion, and frugal living, they become not just educated individuals but conscientious contributors to a better world. Our commitment to Gandhian principles is an investment in the future, fostering a generation of socially responsible and compassionate leaders.

Mahatma Gandhi's principles, etched in history, exceed time and continue to offer invaluable lessons for the youth of today. At Vignan's World One School, we wholeheartedly embrace Gandhian values, recognizing their potential to mold responsible and conscientious citizens.

1. Self-Reliance (Swadeshi): Gandhi's advocacy for self-reliance finds resonance in our commitment to nurturing independent thinkers. Our students are encouraged to explore their capabilities, fostering a sense of self-reliance that empowers them to face challenges with confidence.

2. Environmental Stewardship: Gandhi's deep connection with nature inspires our school's emphasis on environmental
